Carringtons are pleased to offer this 2006/56 Vauxhall Astra SXI 1.4 Petrol Manual. This astra has covered 123,752 miles and has part service history with recorded services in 07,08,09,10,11 and 16. We would replaced the oil and filter upon point of sale. It will also be supplied with a NEW mot. Presentable car for the age/mileage, a couple of bumper scuffs and minor age related marks as to be expected but other than that a nice car inside and out, drives well. Any questions feel free to ask either via our office number - 01273 844433 or by email. We are following the governments guidlines on social distancing so please make sure you contact us before coming to view the car so we can move it to a suitable place for you to view it. We are unable to offer test drives due to the social distancing however can be driven at our site, we hope you understand.
